OUR BUSINESS MODEL

EMPOWERING OWNERS TO BECOME HOTELIERS

Retvens is an innovative and fast-growing lean Revenue Management firm built to help hoteliers that want to do more with less. Our core focus lies in increasing revenues and operational efficiency, and lowering costs to drive profitability. Harnessing the power of complex data, Retvens proves that technology is way to achieve an edge with its sophisticated, machine-learning and data science algorithm.

Our mission is to lead the marketplace for Revenue Management & Digital Marketing

We aim to provide our clients with valuable revenue management & marketing services.

OUR OFFERINGS

CENTRAL RESERVATION SYSTEM

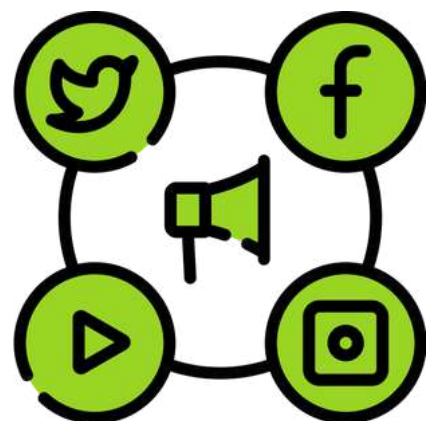

We believe every call to a hotel number can lead to a booking and every lost call is potential revenue. Therefore, we offer our clients a **CENTRAL RESERVATIONS SYSTEM** aid by trained professionals, who knows everything about the hotels they represent and deal with guests in an informed and friendly manner. These efforts will increase overall business with positive guest satisfaction.

REVENUE MANAGEMENT

We at Retvens provide powerful yet easy to use solutions to meet and surpass the challenges of distribution and revenue management- combining commercial insight and technical know-how with quality customer support. Our aim is to help boost topline revenue at your property, using multiple pricing strategies to get the most out of your business.

OUR OFFERINGS

MARKETING

More online presence leads to more booking of the hotels as long you are visible to the audience the chances of getting booked is higher. Through social media and hotels ads we drive booking to the hotels . Google Hotel Ads displays your hotel availability and rates on Google Search, Maps and the Assistant. We receive new customers browsing rich hotel photos, reviews and searching hotels in your city. Connect with new customers to send them to your site to book direct or allow them to book on Google.

OWNER'S COMMUNITY

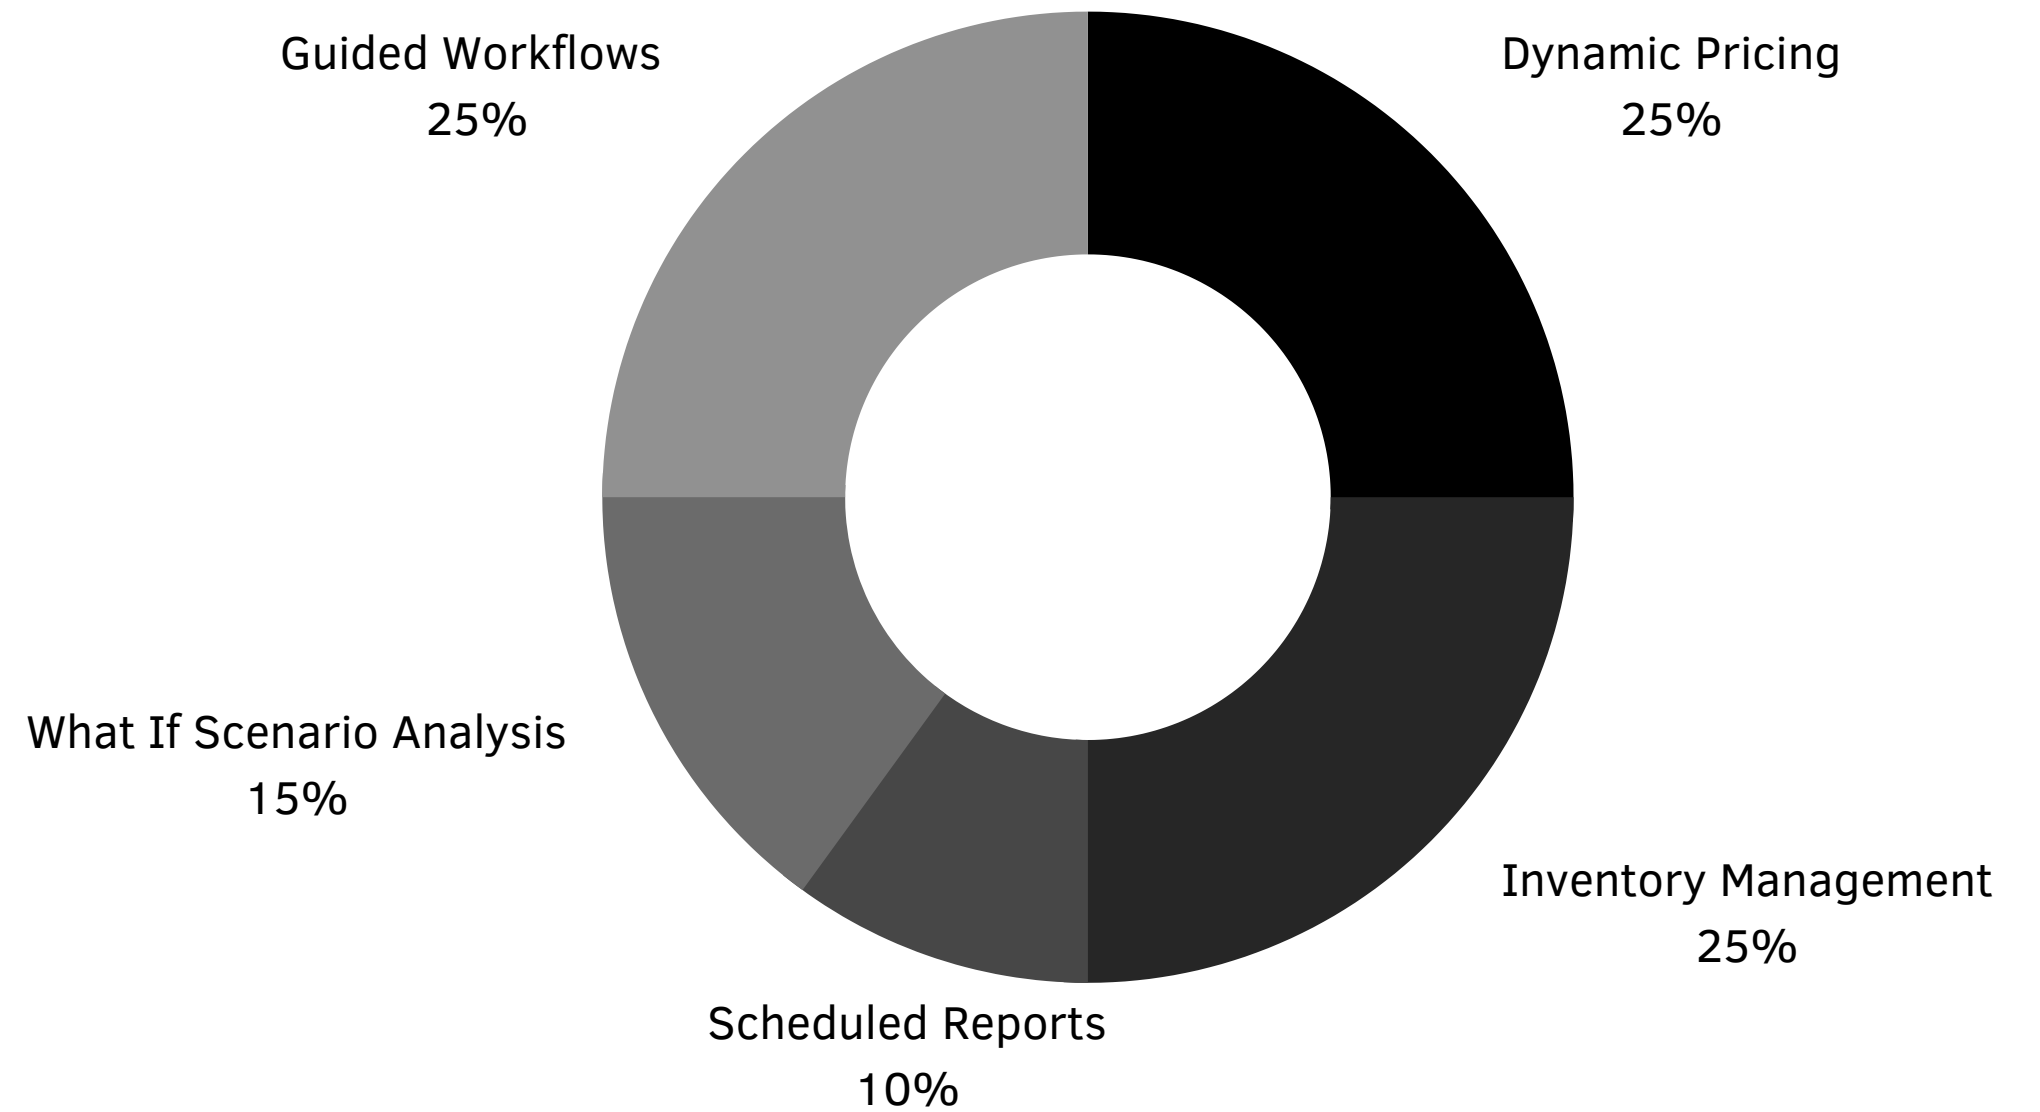

We are in a journey of making hotel owner a proud hotelier and what's better than people you can talk to & ask questions of other hotel owners who are on the same journey as yourself. People who understand what it is like to be a hotel owner and what it is all about. Owner's community for hoteliers is created with the aim of facilitating the exchange of news and experiences, networking, sharing of knowledge and fostering collaboration – all amongst hoteliers. You can share your views, discuss issues about running hotels, helping each other in many ways by being on a same platform.
